

2017 – 2018 High School, Middle School, SFX and CCS Bus Routes Grades 6-12

Times are approximations and can vary 10-15 minutes the first two weeks of school. Ohio law requires students to be waiting at the bus stop prior to its arrival. Waiting at the bus stop before the bus arrives further ensures that no one chases after the bus-this is a very dangerous thing to do

RED-indicates changes
